CHRISTMAS TREE RECYCLING

Management Centres.....Drop your tree off, free of charge, throughout the month of January.

MiddletonTown residents can drop off trees January 4-7 and January 10-14, from 8:30 am – 4:30 pm, at the site on the west side of Brooklyn Rd. Call the Town for details.

BerwickResidents can drop trees off at the Public Works site during regular operating hours or staff will pick them up from roadside during January.

KentvilleThe Kinsmen Club will collect trees in Kentville on Saturday January 8th as a fundraiser for charity. For details, call 902-678-6937.

Wolfville.....Wolfville will collect trees from January 3-14, and residents are welcome to set trees at the curb by Sunday, January 2, at the earliest. Trees can also be dropped off at the Maple Avenue Compost Site just outside the gate January 3-14.

Annapolis RoyalTown residents can place trees at curbside for collection by the Town of Annapolis Royal.

You can also cut the tree in 4ft. lengths, bundle it and set it out as brush for regular collection, or put it out for Spring Cleanup.

EASTERN MANAGEMENT CENTRE

Safety First

Place lithium battery in a plastic bag or tape the battery terminals with tape before placing in a storage container.

Dead lithium batteries hiding in waste bins or old electrical items, like phones, power tools and laptops, are rising from the grave in their millions. This rampaging hoard of Zombie Batteries are attacking waste management facilities.

They can cause fires which can endanger lives.
Please help us keep batteries out of our landfills!

www.call2recycle.ca

For more information and your nearest disposal location!

Possible Damage

If you see a swollen or bulging battery, put it in a non-flammable material such as sand or kitty litter in a cool, dry place.
DO NOT THROW AWAY

Stay Cool

Store batteries in a plastic (not metal) container in a cool dry place.

TAKE CHARGE

Timing

Aim to drop batteries off to recycle within six months, ensuring they are bagged or taped.

Join the fight against zombie batteries

BACKYARD COMPOSTING

Approximately 30% of the waste produced in your home can be composted in your backyard. In order to successfully compost, you simply need to create the conditions for composting to happen. Here are a few steps to get you started.

Step 1: Choose a composter. You could purchase a ready-made container or make one from building materials. Valley Waste has plans if you wish to make one yourself.

Step 2: Choose a spot in your yard on bare ground with a fair amount of shade.

Step 3: Build your pile. A successful compost heap is made with a mixture of brown and green materials. Greens add nitrogen and moisture to the pile while browns help air circulate and also add carbon. Keep browns close by so you can add them on top of the greens each time.

Step 4: Maintain your pile. If it is too wet, add browns to help absorb the moisture. If it's too dry, add more greens. Turn the pile every 2-3 weeks to mix materials and help air circulate. Compost is ready to use when all the materials are broken down.

GREENS

Fruit
Vegetables
Coffee grounds & filters
Grass Clippings

BROWNS

Leaves
Straw
Hay
Cold Ashes
Paper

Leaves make a great base to start a compost pile

Sustane

Recycling the Valley's Waste

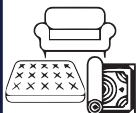

Sustane Chester - Advanced Recycling Plant

Things that ARE accepted

Household appliances like a washer, dryer and stove.
Please note: Any cooling devices like fridges, freezers, airconditioners, dehumidifiers must have a CFC sticker. Limit is two appliances at one stop.

Furniture items like a sofa, mattress, shelving. Any one furniture or appliance item can weigh up to 91kg (200lb); other items must weigh no more than 34kg (75lb) each. Carpet should be rolled in 4ft lengths.

Miscellaneous items such as a water tank, boiler, empty oil storage tank (which must all be drained).

Construction Waste lumber or loose items must be bagged or tied securely in bundles no longer than 1.2 metres (4ft). Nails should be bent over or removed.

Small Auto Parts (no fuel or fluids)

RULES FOR CLEAN-UP

Your clean-up is **one day only**. Put items out no earlier than the weekend before your clean-up and no later than 7am on the Monday of your clean-up week.

No recyclables, cardboard or yard waste. Please remove batteries from items. Batteries can be brought in to the management centres or other participating locations for free.

Bagged items **must** be in clear bags.

Maximum of 20 items will be collected at any one stop. An item means a single object, bag or container or securely tied bundle. A bundle can measure up to 4ft in length.

Items not collected are the responsibility of the resident and must be removed from roadside when Clean-up is finished.

CLEAN-UP INFORMATION

Things that are NOT accepted

Cooling Devices like fridges, freezers, air conditioners, dehumidifiers without a CFC sticker.

Electronics like televisions, computers, monitors, stereos, printers, telephones, microwaves and stereos are free to bring into the management centre or participating EPRA locations as part of the electronics program.

Automotive Tires Up to four rimless tires a day can be returned to any tire dealership, free of charge.

Large Auto Parts

Cardboard boxes can be flattened and bundled in 3ftx2ftx1ft and up to two bundles can be put out with your regular collection.

Garden Waste

Household Hazardous Waste (HHW) - Please see the page above **November** for more details of what is accepted

Household and Lithium Batteries

WHEN IS YOUR CLEAN-UP WEEK?

Check the back cover for your designated Clean-up Week. Your Clean-up Week is determined by your regular collection day. (For example, if your regular collection day is Friday, Week 2, your Spring Clean-up week will be Apr 25-29, 2022 and Fall Clean-up week will be Sept 26-30, 2022). Clean-up is the opposite week to your regular collection.

LOCATIONS AND TIPPING FEES

There is no landfill in the Valley. Instead Valley Waste operates two Waste Management Centres or Transfer Stations in Kentville and Lawrencetown. Everything that comes in—goes out! They are open to everyone, and accept most types of waste including garbage, recycling, organics, yard waste, construction debris, electronics, batteries, used oil, and household hazardous waste.

EASTERN MANAGEMENT CENTRE

100 Donald Hiltz Connector, Kentville (**Exit 14 on Highway 101**)

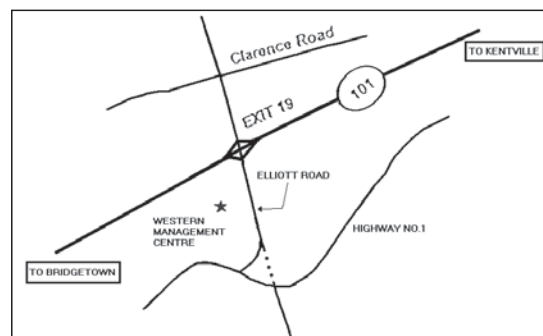

Monday-Friday 8:00am-4:00pm, Saturday 8am-noon

WESTERN MANAGEMENT CENTRE

343 Elliott Road, Lawrencetown (**Exit 19 on Highway 101**)

Tuesday-Friday 8:00am-4:00pm, Saturday 8am-noon

Minimum Fee \$10

Recyclables 9.7c/kg

Organics 9.7c/kg

Garbage* 12.5c/kg

Household Hazardous Waste (HHW) No Fee

Scrap Metals and White Goods 5.7c/kg

CFC Removal from Refrigeration \$20/unit

Leaves (bag emptied on site) No Fee

Construction & Demolition Debris
Brick, block, concrete, asphalt, asphalt shingles,
drywall, wood/brush (up to 6" in diameter)
Sorted 7.5c/kg Mixed 12.5c/kg

Weighscale Usage \$10.00
(loaded weight and tare weight)

***NOTE:** Bagged garbage must be in clear bags. Non-compliant loads will be charged a double rate or rejected.

Fees are subject to change through budget approval. The Management Centres are closed on all statutory and civic holidays. Improperly sorted materials are subject to a penalty fee or can be turned away. Check non-member rates at www.vworm.com

DON'T GET BURNED

Open burning of garbage releases several harmful pollutants.

Dioxins (ex. chlorine), are one of those pollutants. They make their way up the food chain to humans and potentially affect cell growth, the immune system, hormones and cancer development.

<https://www.epa.gov/dioxin/dioxins-produced-backyard-burning>

Permitted burning includes:

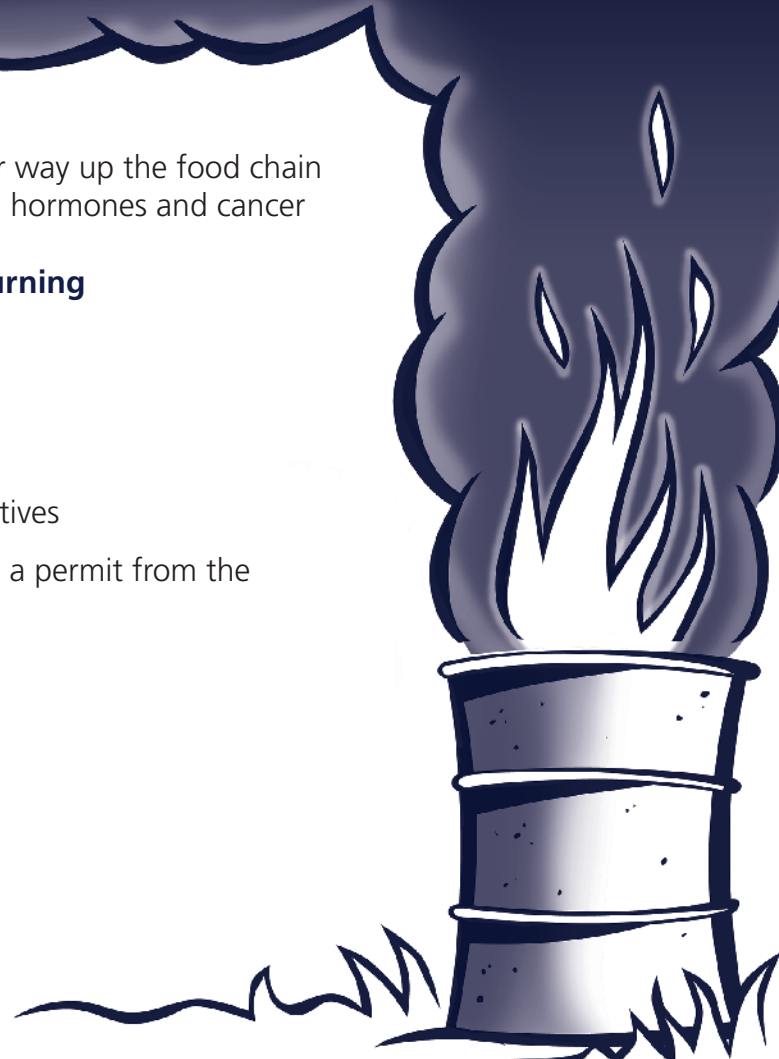

- brush
- tree limbs
- milled wood that is free from adhesives, coatings, and preservatives

Burning of brush is prohibited from April 1 to October 15 without a permit from the Department of Lands and Forestry

Burning Permits:

- o **Kentville** 902-679-6097
- o **Lawrencetown** 902-584-2229

Open burning of garbage is against the law in Nova Scotia, and could be subject to court action and/or a fine of \$812.50
(Nova Scotia Solid Waste-Resource Regulations).

Things that ARE accepted

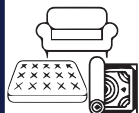

CLEAN-UP INFORMATION

Things that are NOT accepted

Household appliances like a washer, dryer and stove.
Please note: Any cooling devices like fridges, freezers, airconditioners, dehumidifiers must have a CFC sticker. Limit is two appliances at one stop.

Furniture items like a sofa, mattress, shelving. Any one furniture or appliance item can weigh up to 91kg (200lb); other items must weigh no more than 34kg (75lb) each. Carpet should be rolled in 4ft lengths.

Miscellaneous items such as a water tank, boiler, empty oil storage tank (which must all be drained).

Construction Waste lumber or loose items must be bagged or tied securely in bundles no longer than 1.2 metres (4ft). Nails should be bent over or removed.

Small Auto Parts (no fuel or fluids)

Cooling Devices like fridges, freezers, air conditioners, dehumidifiers without a CFC sticker.

Electronics like televisions, computers, monitors, stereos, printers, telephones, microwaves and stereos are free to bring into the management centre or participating EPRA locations as part of the electronics program.

Automotive Tires Up to four rimless tires a day can be returned to any tire dealership, free of charge.

Large Auto Parts

Cardboard boxes can be flattened and bundled in 3ftx2ftx1ft and up to two bundles can be put out with your regular collection.

Garden Waste

Household Hazardous Waste (HHW) - Please see the page above **November** for more details of what is accepted

Household and Lithium Batteries

RULES FOR CLEAN-UP

Your clean-up is **one day only**. Put items out no earlier than the weekend before your clean-up and no later than 7am on the Monday of your clean-up week.

No recyclables, cardboard or yard waste. Please remove batteries from items. Batteries can be brought in to the management centres or other participating locations for free.

Bagged items **must** be in clear bags.

Maximum of 20 items will be collected at any one stop. An item means a single object, bag or container or securely tied bundle. A bundle can measure up to 4ft in length.

Items not collected are the responsibility of the resident and must be removed from roadside when Clean-up is finished.

The items listed above, including leaves, are **NOT** accepted for Clean-up collection. HHW, paint and electronics can be brought to the Management Centres or other participating locations for **FREE!** Up to 4 rimless tires can be returned to tire retailers for **FREE!** Cooling devices can be taken to the Management Centres to have CFC removed for a fee. Thank you! For more information, please call 902 679 1325

GREEN CART TIPS

KEEP YOUR CART CLEAN to help avoid pests and rodents

- Hose out your cart on a regular basis
- Wrap food in cereal/cracker boxes or newspaper
- Refrigerate or freeze smelly items until collection
- Put cat litter in paper bags or recommended compostable bags

DON'T PUT HOT ASHES IN YOUR CART

Ashes put in the green cart can cause a fire. Ashes are generally fine for your backyard compost pile. If you are unable to put ashes in your garden, put ashes outside until they are cold before putting them in a clear garbage bag for collection. Do not put ashes in your green cart as they could contain metal pieces or other items.

Each year over 9,000 tonnes of organics are collected in green carts and turned into compost.

DON'T LOCK US OUT!

Bungee cords and locks must be opened or removed before collection. Drivers are not responsible for replacing them on your cart.

DON'T OVERFILL YOUR CART

The **maximum capacity is 220 lb (100kg)**. Carts exceeding this weight cannot be lifted by the hydraulics on the collection truck. Brush must also be cut to fit in a cart or bundled for collection. Empty your cart on a regular basis to avoid overloading it.

WINTER COLLECTION (How to stop contents in carts from freezing)

- Put a layer of balled-up paper in the bottom of the cart or spray your cart with cooking spray to stop food from sticking to the side of the cart.
- Wrap food waste in paper products (cracker/cereal boxes) to help reduce moisture that can freeze. Using compostable paper bags to stop food from sticking to the sides of the cart.
- When setting out carts, do not place in snow banks or set on icy surfaces. Carts should be set out no further than 15 feet from the curb and not impede pedestrian, vehicular traffic or snow plows.

Hotline: 902 679 1325 Toll Free: 1 877 927 8300

The Valley Waste office and Hotline are open from 8:30am—4:30pm

Garbage, Recyclables and Compost are all collected every two weeks

**COLLECTION
STARTS at 7:00am**

GREEN CART

ORGANICS

Wrap wet organics in paper or boxboard to help keep your cart clean and prevent freezing.

The maximum weight limit **not to exceed** 100 kg (220 lb) to ensure the equipment can empty the cart and avoid damage.

Leaves go in the green cart or bring to Valley Waste for free (bags must be emptied on site). Pine needles go in green cart or call the Hotline for alternatives.

Please **do not** put ashes in your green cart!

Have a damaged cart or new home, visit www.vworm.com to complete the online form or call **902 679 1325** to request a new or replacement cart.

Mini-bins are \$5 inc. tax at Valley Waste office or the Lawrencetown Scale House.

BLUE BAG 1

RECYCLABLE CONTAINERS

Transparent blue bags required.

Ensure materials are clean prior to placing in blue bags.

Use standard size blue bags (no longer than 39 inches when flat).

Maximum weight per bag is 15kg (33lb).

Beverage containers can also be redeemed at a local Enviro-Depot™. Visit divertns.ca for full details and a list of locations.

***Max. of 4 recycling bags but if you don't use your full garbage limits you can substitute each unused garbage bag with an additional recycling bag.**

Yard Waste

Up to two bundles of brush; maximum length 4ft and maximum width 2ft.

BLUE BAG 2

RECYCLABLE PAPER

Transparent blue bags required.

Ensure paper is clean and dry.

Use standard size blue bags (no longer than 39 inches when flat).

Maximum weight per bag is 15kg (33lb).

Do not mix recyclable containers and paper in the same bag.

Corrugated cardboard: Boxes must be flattened and bundled to a size no larger than 3ft x 2ft x 1ft. Place bundles beside blue bags. Maximum 2 bundles per collection.

For information on storm cancellations or special collections see our social media, listen to local radio stations, call our Hotline or visit www.vworm.com

GARBAGE

CLEAR BAGS

There is a **4 bag limit*** of garbage per collection.

Each home may place **4 clear bags** of garbage at the curb for collection. Maximum weight per bag is 15kg (33lb).

When necessary one black bag per collection may be used for personal garbage items. This bag is included in your 4 bag limit.

Spring and Fall Clean-up

Bulky waste is collected during Clean-up weeks offered in the Spring and Fall. Refer to our calendar or visit www.vworm.com for more information.

Private Roads

If you live on a private road contact the Hotline or visit www.vworm.com for set-out information.

OTHER SERVICES

Fluorescent and CFL Bulbs

Can be brought to the Management Centres for free under our HHW program.

Christmas Tree Recycling

Visit our website at www.vworm.ca or see our calendar for details. Ornaments and Christmas lights are garbage.

Refrigerated Units

Fridges, freezers, heat pumps, water coolers, and other refrigerated units contain Chlorofluorocarbon (CFC) which has to be removed before disposal. Bring your unit to the Management Centre for disposal. Fees apply.

The Management Centres are open to the public to drop off excess materials:

Eastern Management Centre
100 Donald E Hiltz Connector,
Kentville Business Park
Mon-Fri: 8am-4pm,
Sat: 8am-noon

Western Management Centre
343 Elliott Rd, Lawrencetown
Tues-Fri: 8am-4pm,
Sat: 8am-noon

Visit www.vworm.com for fees.

For more information, tips or newsletter visit us at: @valley waste

www.vworm.com
