HOW DO I GET RID OF COOKING FAT OR OIL?

Once solidified, fat can be composted. Liquid oil or grease should be placed in a cereal or cracker box and put in the green cart, lined with boxboard, flyers, or newspaper to avoid spills.

TEXTILES

Did you know that Textiles make up 18% of all items in Nova Scotia landfills. Consider donating all unwanted clothing footwear, towels, draperies, and clothing accessories to charity. If they are not useable, please put in **clear** garbage bags.

PRIVACY BAGS

Residents must use clear, transparent garbage bags for staff safety. *One solid-colored bag is permitted for personal items per curbside collection, and both drivers and staff can inspect bags to ensure they contain only garbage. *This bag counts toward the four-bag limit. **Some conditions may apply in rental units.**
